*The Resilient* is a documentary that shows part of the feminist music scene that has emerged in Catalonia and Spain in recent years through the daily life of four bands made up almost entirely of women: *Roba Estesa* (folk), *Tribade* (hip-hop), *The Sey Sisters* (soul) and Clara Peya (electronic jazz). The film aims to portray these new cultural sprouts that respond to the historical absence of women on stage. Their music is now blossoming like flowers after fire.
