Sandra is a single, middle-class, 38-year-old woman. Although she seems mature and tries to be rational on the surface, she is easily influenced and emotionally a bit lost. One afternoon at a get-together at her friends' house, she runs across a tarot reader who gets her to agree to a card reading, much despite Sandra's apparent and false scepticism.

The cards reveal that the man of her dreams is from France. Though she refuses to admit it, from then on, Sandra can't help but take notice of absolutely everything around her, in her intense quest to find the Frenchman that will fulfil her destiny.
