2 celebrities, 1.300 sheep, a shepherd and one common goal. In each episode of 'Sheep Celebrities', two famous guests accompany a shepherd and his huge flock of sheep on a unique two-day journey through great landscapes. The walking tour allows the participating celebrities to see their native country in a whole new light. On their way along meadows, hills and forests, they gain insight into the shepherd's long-established profession that is in close communion with nature and hasn't changed much over time. It's a rediscovery of nature, home country and a centuries-old profession. The celebrities are confronted with challenges and adventures, and we accompany them on their exciting journey.
